We have two programs designed to help eligible individuals and families who may need support meeting their energy costs. The California Alternate Rates for Energy (CARE) program may provide a discount of approximately 30% on your energy bill, while our Family Electric Rate Assistance (FERA) plan offers a discount on electric bills if you have three or more people in your household and you exceed your baseline electricity usage by more than 30%.

#### **Energy Assistance Fund**

If you're struggling to pay your bills and you meet the eligibility requirements, the Energy Assistance Fund can help. Based on the actual amount of money you owe, this program could provide you with a one-time supplement of up to \$100 every 12 months toward the payment of your energy bill.

#### **Medical Baseline**
