

Decorate Your Helmet

Make this helmet your own! Decorate with scraps and strips, add color and show your style.

Snap photo of your completed helmet and send it to us at info@scrapgallery.org.

We will share your art on Facebook and put your name in our drawing for a free bicycle helmet.

Heads Up Helmet Fit

1. The helmet should sit level on your head; wear it low on your forehead, two fingers above the eyebrows.
2. Adjust the plastic slider on both straps to form a "V" shape under your ears.
3. Tight the chin strap and adjust the pads inside so the helmet doesn't move.
4. The helmet should fit snugly and must always be buckled each time you ride.
