Cannabis Industry Training

Considering a career in cannabis?

More and more employers in the cannabis industry are demanding verifiable knowledge from prospective employees. A certificate of completion from Partnership and Community Education provides that needed training on a broad range of subjects critical to success in the cannabis industry.

How to Get a Job in the Cannabis Industry

Gain an insider knowledge about the Cannabis industry to include career opportunities and pathways within the industry. Learn how to build your resume and to apply proven networking and interviewing skills to help you get that job!

Tuesday & Thursday, August 24 & 26, 2021 | 6 - 8:30 p.m. Registration Fee \$69

Cannabis Cultivation Fundamentals

Individuals will gain a better understanding of the horticulture basics of cannabis plants and their development - learning to grow and manage healthy plants from propagation to harvest, with focus on crop nutrition, pest management, along with grow-house technology and safety.

Saturdays, September 11 & 18, 2021 | 8 a.m. - 12:30 p.m. Registration Fee \$99

Cannabis Consultant - Creating the Cannabis Customer Experience

Cannabis retail is an entry-level job which can lead to promotion, once you become a Rockstar in the dispensary. The four sessions will review cannabis basics from lingo, understanding your customer to handling workplace stress. Participants will gain skills to empower them to create that ultimate customer experience that will send them on their way to stardom!

Tuesdays & Thursdays, September 21 - 30, 2021 | 6 - 8 p.m. Registration Fee \$89

Cannabis metrc

California has selected metrc as the state's track-and-trace system used to track commercial cannabis activity and movement across the distribution chain. metrc is the Seed to Sale Tracking Software specifically crafted for growers, producers, cultivators, processors, manufacturers, distributors, and retailers. This training provides key benefits and instruction of use of the system to remain in compliance with California's tracking and reporting requirements.

Tuesday & Thursday, October 5 & 7, 2021 | 6 - 8 p.m. Registration Fee \$69
