## Community Update

by Paul Wilson, Fire Chief

### Home Heating Safety

Heating equipment, especially portable and space heaters, require careful use and proper maintenance. The following tips can help prevent fire and burn-related injuries during the winter months.

#### Portable Space Heaters

- Make sure your heater has been tested for safety. Look on the bottom for a label such as ETL, UL or CSA.
- Place space heaters at least three feet away from anything that can burn - including furniture, people, pets and curtains.
- There should always be an adult in the room when a space heater is on.
- Turn off space heaters before leaving a room or going to sleep.
- Supervise children and pets at-all-times when a portable space heater is in use.
- Never use space heaters to dry clothing or blankets.

## Agnes Pelton House Museum Day

Within a five block radius walking area , the centerpiece of the event is Chuperosa Lane and the Pelton House, that the posthumously celebrated Transcendental American painter, Agnes Pelton designed and had built in 1939. The Pelton House is located in the heart of the fabled neighborhood, the Historic Cathedral City Cove artists' colony of the 30's through the 60's. This is where she painted for over twenty years– her notable desert landscape “plein air” works and her abstract master works, her Transcendental paintings that established her reputation at the mid-century in the art world. Throughout the 30's-50's, the ...[Read more.](#)
