Community Update by Robert Rodriguez, Director of Planning & Building

'Additional Building Department Services'

Although many are familiar with the typical services that the Building Department offers such as building permits, inspections and plan reviews, there are other services that may be less familiar but can be very useful in completing your project.

Same Day Inspections

During the summer months, the Building Department provides multiple same day inspections in conjunction with permits for main service panel change-outs and other electrical service repairs to ensure residents are without power for the minimum amount of time necessary to complete the work. The inspection must be coordinated in advance with Southern California Edison and the Building Department.

After Hours Inspections

With advanced planning, inspections can be scheduled for after hours. The request must be made in writing to the Chief Building Official, a minimum of 6 days in advance, that includes the permit number, day(s) and time(s) the inspection is requested for, and the type of inspection(s) being requested. There is an additional charge for this service.

After Hours Construction

Municipal Code Chapter 11.96 limits the hours for construction to the following:

October 1st – April 30th	Monday – Friday	7:00am – 5:30 pm
	Saturday	8:00 am – 5:00 pm
	Sunday and State Holidays	Not Allowed
May 1st – September 30th	Monday – Friday	6:00 am – 7:00 pm
	Saturday	8:00 am – 5:00 pm
	Sunday and State Holidays	Not Allowed

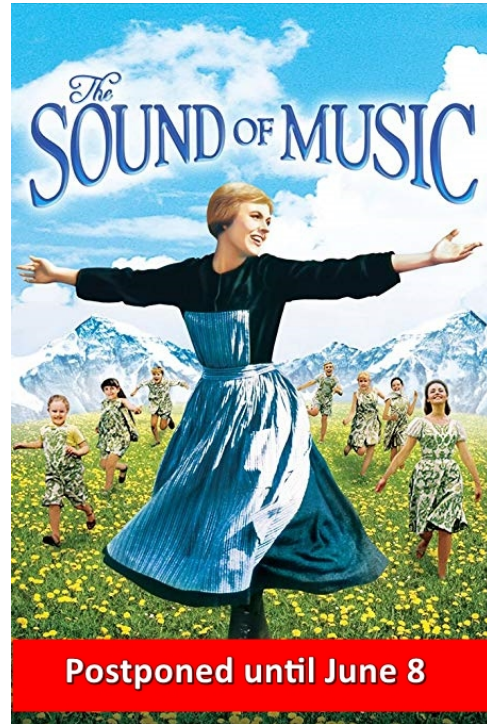

However, extended construction hours may be granted for Monday thru Saturday. The request must be made in writing to the Chief Building Official. Each request is evaluated on a case by case basis and considers several factors including potential impact to adjacent neighbors, hours and length of time requested and the type of work to be performed during these hours in making a determination.

A promotional graphic for the SBDC Eats Program. At the top left is the "AMERICA'S SBDC CALIFORNIA" logo, which includes the text "ORANGE COUNTY INLAND EMPIRE NETWORK". To its right is the "EATS" logo, which features a chef's hat and the text "A Recipe for Food Business Success". Below the logos, on the left, is the text "JUNE 5 to JUNE 26 2019". On the right, a block of text reads: "If you are looking to start a food truck, sell homemade cookies and pies or open a brick and mortar restaurant then this is the program for you! At no cost, this series will take you from creating your concept to starting your business and everything in between. Consider this a crash course on becoming a foodpreneur!" The background of the graphic shows a blurred image of people in a kitchen or food preparation area.
