## Community Update

by Robert Rodriguez, Director of Planning & Building

### OPEN FOR BUSINESS

Although City offices remain closed to the public due to the COVID-19 pandemic, the Community Development Department, which includes the Planning, Building, Engineering and Code Compliance Departments, are here to serve our residents, businesses and development community. Many of our services including permits and licenses, inspections, code compliance and general and zoning information are available online, by email, phone and fax. Applications and permit forms are available on the City's website at [www.cathedralcity.gov](http://www.cathedralcity.gov).

For larger construction and engineering projects including new Planning submittals such as Conditional Use Permit and Design Review applications, appointments may be made to deliver submittal packages in person during business hours, Monday – Thursday, 7:00 am – 5:00 pm. Also, City staff is available to meet with project applicants through teleconference or conference calls and those appointments may be made directly with each department.

For Code Compliance, the **GoRequest mobile app** is available for download for both iPhone and Android and can be used to submit complaints and concerns for such items as graffiti, illegal dumping and abandoned vehicles.

For additional information, questions or to submit your project, please contact the appropriate department at the following:

**General Fax Number:** (760)202-1460

**Planning Department**

## City Council Votes to Mandate the Use of Face Coverings and Social Distancing Until September 30, 2020

At a Special Meeting of the City Council held on Wednesday, June 17, 2020, the City Council voted to approve Emergency Order 3A requiring face masks and social distancing in public settings. Enforcement of this order may include a fine of \$100 for the first offense and up to \$500 for repeat offenses. Emergency Order 3A will be in place through September 30, 2020, unless extended or rescinded. [Read more.](#)

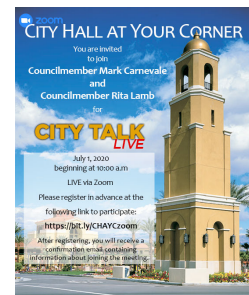

## Veterans Housing Project in Cathedral City Receives a \$5.5 Million VHHP Grant

A proposed 60-unit Veterans Housing Project in Cathedral City is one step closer to reality as the project developers, Ikaika Ohana (Urban Housing Communities), have received a \$5.5 million Veterans Housing and Homelessness Prevention Program (VHHP) award through the California Department of Housing and Community Development. “A \$27 million veterans housing development could start construction by the end of ...
